

## CALL FOR SUBMISSIONS FOR CCUMC'S VIDEO CONTEST

CCUMC's Conference Program Committee is proud to accept submissions for our first CONTEST for BEST PROMOTIONAL VIDEO of your own campus services and BEST TRAINING VIDEO for staff, students, or faculty on your campus. The two categories will be judged using the following criteria: production value, content, addressing target audience effectively, and overall quality.

A panel of judges will review the submissions and the Best Promo Video and the Best Training Video will be screened and awarded prizes at the CCUMC Conference in Greensboro, North Carolina, October 15-19, 2009. As a bonus, with the winners' permission CCUMC will highlight these videos on our website so that others can see what great services and training you provide.
